Welcome Home

It is rare to find a bungalow that offers such a contemporary, modern finish, but this beautifully renovated and extended semi-detached home does exactly that. The layout has been carefully considered to suit modern family life, with stylish interiors, versatile bedroom space and a superb open plan living area that connects effortlessly with the garden.

The home has been significantly improved by the 2022/23 extension, which created the principal bedroom, study/bedroom and third bedroom, adding excellent space and flexibility to the original layout. The result is a bungalow that feels surprisingly generous, practical and very much designed around modern family living.

The heart of the home is without doubt the open plan kitchen/sitting/dining room. Extending to almost 20ft, this is a wonderfully sociable space with distinct zones for cooking, relaxing and dining, all brought together by a lovely sense of light and flow. Wide doors open directly onto the garden, creating a seamless connection between inside and out — perfect during the summer months when the terrace becomes a natural extension of the living space.

The kitchen itself has a stylish, relaxed feel with white shaker-style cabinetry, white worktops, subway tiling and open shelving. There is plenty of prep and storage space, integrated appliances and a breakfast bar/peninsula which works perfectly for morning coffee, children's tea or chatting with friends while cooking. The sitting area sits just beyond, overlooking the garden, while the dining area comfortably accommodates a large table beneath contemporary pendant lighting.

The bedroom accommodation is well balanced and offers excellent versatility. The principal bedroom is a superb room, measuring over 17ft, with fitted wardrobes and its own contemporary en-suite shower room. There are three further bedrooms, one of which works perfectly as a study, nursery or guest bedroom, giving the home real flexibility for those who work from home or need adaptable family space.

The family bathroom is beautifully finished with grey metro tiling, patterned floor tiles, a bath with shower screen, wall-hung basin and WC. The en-suite has a more contemporary boutique feel with large format tiling, black fittings, a walk-in shower and stylish black basin.

The décor throughout is fresh, calm and modern, with herringbone-style flooring to the bedrooms and wood-effect flooring through the main living space. The home feels ready to move into, while still offering scope for further extension if required, subject of course to the necessary consents.

The home has eight solar panels and 5kw battery that contribute to keeping energy bills to a minimum. Our clients are a family of four and pay circa £70 per month for electricity, which includes heating and hot water.

Step Outside

The rear garden is a real highlight and has been thoughtfully landscaped to create a fantastic family and entertaining space. Directly off the house is a raised decked terrace, ideal for sitting with a morning coffee or evening drink while overlooking the lawn

To one side of the garden is a large paved entertaining terrace with pergola, built-in BBQ and plenty of space for outdoor dining and lounging — a brilliant spot for summer gatherings. The central lawn provides plenty of room for children to play, while a separate play area with climbing frame and trampoline is nicely tucked away.

The plot wraps around the property, giving a lovely sense of space and privacy. There is also useful external storage, side access and to the front, a shingle driveway providing off-road parking.
