The home has just been fully renovated and offers an incoming buyer a truly "turn key" option with stylish finishes and a neutral 'blank canvas' allowing you to put your own stamp throughout. The corner plot position means the home is nicely tucked away and enjoys wrap around gardens.

The accommodation is generous and well-arranged offering a huge amount of versatility and flexibility that means it could suit a family, downsizer or couple. Upon entry you're welcomed by a central hallway which leads to each of the ground floor rooms.

Depending upon your preference and needs, there are two reception rooms (one could easily be a bedroom, if preferred). The sitting room is a nice size and has door which open to the kitchen creating a fantastic flow. The family room could easily be a generous double bedroom and has French doors that open out to the garden.

The kitchen is the heart of many homes and this is no different, combining sleek contemporary design with premium integrated appliances by Samsung to create a space that is as functional as it is stylish. The bespoke cabinetry in a soft matte grey finish is complemented by clean lines and expansive work surfaces, providing both elegance and practicality. Integrated seamlessly are a induction hob, oven, grill, dishwasher, and fridge freezer, ensuring every modern convenience is close at hand. A bank of full-height units offers superb storage while maintaining the streamlined aesthetic, while the wide picture window floods the room with natural light, enhancing the sense of space and offering pleasant views to the front. The herringbone flooring adds a subtle touch of luxury underfoot, perfectly balancing contemporary finishes with timeless appeal. French doors spill out to the paved terrace, perfect for inside-outside living during the summer months.

The ground floor bathroom allows the possibility of ground floor bedroom space and is contemporary in its finish with stylish tiling, separate bath, walk-in shower and heated rail to keep the towels warm and fluffy.

On the first floor are two generous double bedrooms, both with eaves storage. These bedrooms are served by the stylish shower room.

The home has gas fired central heating, is fully double glazed and enjoys access to an Superfast fibre broadband connection.

Offered for sale with no onward chain.

Step Outside

Being a corner plot, the home enjoys wrap around gardens to the each side with the rear garden stretching to three sides. There is a huge amount of privacy and seclusion with south and westerly areas meaning there is plenty of sunshine throughout the day. There are paved terraces that provide perfect spots for 'al-fresco' dining and outside entertainment.

The detached garage has power and offers excellent storage. There is of course scope to convert this space into a studio/home office.
