Welcome Home

This stylish and well-presented detached bungalow sits comfortably within its plot, with gardens wrapping around three sides and a practical layout.

The accommodation is arranged around a central hallway and has been thoughtfully updated to create a home that feels fresh, light and easy to live in. The sitting room is an inviting space, measuring over 16ft in length, with a wide front window, soft neutral décor and a decorative fireplace providing a natural focal point. The room has a calm, relaxed feel and offers ample space for both everyday living and entertaining.

To the rear, the kitchen/breakfast room is a real highlight. Contemporary sage green units are paired with oak block worktops, black fittings and a butler-style sink, creating a stylish yet practical finish. There is a good range of storage, integrated appliances, an eye-level microwave, space for a washing machine and room for a dining table. Glazed doors open directly to the garden, making this a lovely social space during the warmer months.

There are two bedrooms, both positioned to the front/side of the bungalow. The main bedroom is a comfortable double with a wide window overlooking the frontage, while the second bedroom is also a good size and could work equally well as a guest room, child's room or home office.

The bathroom has been modernised with white metro-style tiling, fitted vanity storage, a bath, separate glazed shower cubicle, concealed cistern WC and chrome heated towel radiator.

The home is fully double glazed, has gas fired central heating and there is access to an Ultrafast fibre broadband connection - perfect for those who work from home or like to stream.

Step Outside

The plot is a particular feature of the property. To the front, a picket fence and lawned garden create a welcoming approach, with mature roses and planting softening the frontage. To the rear and side, the garden is enclosed and designed for family life and low-maintenance entertaining. There is a paved terrace immediately off the kitchen, ideal for outdoor dining, alongside a level lawn. The garden is enclosed by timber fencing and provides a secure, private feel.

A driveway provides off-street parking and leads to the garage.
