Welcome Home

This beautifully finished two-bedroom semi-detached home on Trinity Road is a real surprise package, offering far more style, specification and usable space than you might first expect.

The ground floor has been cleverly reworked to create a layout that feels both practical and highly sociable. At the heart of the home is the bespoke kitchen/breakfast room, combining solid oak cabinetry with stone worktops, a Belfast sink and a central island that naturally becomes the gathering point of the home. Full-width bi-folding doors draw the garden into the room, blurring the division between inside and out and creating an effortless setting for entertaining. A walk-in understairs larder adds excellent practical storage while enhancing the bespoke feel of the space.

Just off the kitchen is a useful pantry/larder area, while the main hall provides access to a ground floor WC and further storage, ideal for day-to-day life.

The sitting/dining space is stunning space, cleverly created from a former garage conversion. This has added a brilliant extra dimension to the house with the vaulted ceiling giving the space a wonderful sense of height and volume, setting it apart from the average two-bedroom home and making it feel far more individual. Whether used as a sitting room, dining space, play area or work-from-home zone, it gives the house genuine flexibility.

Upstairs, there are two generous double bedrooms. The principal bedroom has a smart, boutique feel with a feature panelled wall, warm tones and plenty of natural light. The second bedroom is also a comfortable double and is currently arranged as a nursery, showing how well the home can work for young families, guests or those needing a dedicated dressing room or study.

Both bedrooms are served by a beautifully styled shower room with metro tiling, tongue-and-groove panelling, a walk-in shower enclosure and characterful vanity unit.

The home is fully double glazed, has gas fired central heating and access to an Ultrafast fibre broadband connection.

Step Outside

The rear garden is a great size for a village home and has been designed with both enjoyment and practicality in mind. The bi-folding doors open from the kitchen onto a raised decked area, creating a natural spot for outdoor dining and summer entertaining, while the lawn beyond offers space for children, pets or relaxed weekend use.

At the far end of the garden is a detached outbuilding, currently set up as a home office. It is a hugely useful addition for anyone working from home, running a hobby space or simply needing separation from the main house.

To the front is driveway parking.

Hurst Life....

For anyone seeking that quintessential village lifestyle, Hurstpierpoint has so much to offer. It has a thriving community, beautiful historic High Street, reputable schools in both the private and state sector and is surrounded by a glorious Sussex countryside. The bustling High Street epitomises quintessential village life and enjoys an eclectic mix of independent stores, shops, boutiques, pubs and restaurants. The locals favourite eateries include Village Pizza Kitchen, Hop Tub Taproom/microbrewery, Nurpur Indian, Morleys Bistro and the Fig Tree (fine dining). For a flat white you can head to Fuel or No.7 Coffee shops. Hampers Delicatessen is superb and has freshly baked artisan breads from Fellows Bakery in nearby Ardingly.
