#### The Home...

Built by Barratt Homes in 2016, this attractive modern home forms part of the ever-popular Heathwood Park development, a location favoured for its blend of countryside surroundings, village convenience and excellent access to Haywards Heath station.

The accommodation is bright, well-proportioned and presented in excellent decorative order throughout. The spacious sitting/dining room spans the rear of the property and enjoys French doors opening onto the garden, creating a lovely connection between inside and out. There is ample space for both sitting and dining areas, together with useful understairs storage.

The kitchen is positioned to the front of the house and is fitted with a range of contemporary units alongside integrated appliances including a fridge/freezer, dishwasher, washer/dryer, oven and five-ring gas hob.

On the first floor are two genuine double bedrooms and the family bathroom. The rear bedroom enjoys the added luxury of an en-suite shower room and pleasant views over the garden, whilst the second bedroom is also a comfortable double. The family bathroom is fitted with a modern white suite, overhead shower and heated towel rail.

The property further benefits from double glazing, gas-fired central heating, an EPC rating of B and neutral décor throughout.

#### Step Outside...

The rear garden has been fully landscaped to create an attractive and highly usable outdoor space. A generous Indian sandstone patio provides the perfect spot for outdoor dining and summer entertaining, whilst the large expanse of level lawn offers plenty of space for children to play, keen gardeners or those simply looking to enjoy the outdoors. A rear gate provides convenient access to the two allocated parking spaces.

#### The Location...

Heathwood Park occupies a desirable position on the southern edge of Lindfield, surrounded by open countryside and yet within easy reach of the village centre.

Lindfield remains one of Sussex's most sought-after villages and was recognised by The Times as one of the Best Places to Live in Britain. The picturesque High Street offers an excellent selection of independent shops, cafés, restaurants, pubs and everyday amenities, whilst the village Common hosts cricket throughout the summer and a variety of community events throughout the year.

For commuters, Haywards Heath station is easily accessible and provides fast, regular services to London Victoria and London Bridge in approximately 45-50 minutes.
