Welcome Home

This unique, modern detached home was built in 2014 to a high specification and is offered for sale in pristine condition with tasteful, neutral décor throughout on the favoured west side of Haywards Heath making it ideal for the station, Waitrose, Sainsburys and Harlands Primary School.

The property was originally configured as a three-bedroom home, but it has been reworked to create two exceptionally generous double bedrooms — a change that could easily be reversed if required.

A wide entrance hall sets the tone with tiled flooring and useful cloakroom. Upon entry your eye is immediately drawn down the hall through to the garden and the layout flows into a bright sitting room with part-vaulted ceiling and bi-folding doors opening to the south/west facing rear garden — creating a seamless connection between inside and out.

The kitchen is smartly finished with sleek white high-gloss cabinetry, granite worktops and a full suite of integrated appliances including oven, hob, microwave, fridge/freezer, dishwasher, and washer/dryer. There's also a breakfast bar and additional . Subtle LED skirting lights add a modern touch.

On the first floor there are two substantial double bedrooms, each offering excellent proportions. The current layout prioritises space and comfort, but reinstating a third bedroom would be a straightforward project. A modern shower room completes the first floor.

The home is fully double glazed, has been recently redecorated and has gas fired central heating. There is no chain so a swift move is possible.

Stepping Outside

The house is accessed via a private driveway between numbers 106 and 108, with allocated parking for two cars directly in front. A side gate leads to the rear garden which enjoys a sunny south/west aspect and measures approximately 35' x 25' — fully enclosed and ideal for outdoor dining or low-maintenance planting. There are beautiful roses that adds pops of colour.
