The House...

Tucked away in the ever-popular Priory development in Haywards Heath, this stylish three-bedroom semi-detached home offers the perfect blend of peace, privacy, and proximity to the bustling town centre, excellent schools, and commuter links.

Originally built in the 1970s, the property has been significantly upgraded by the current owners and comes with granted planning permission (Ref: DM/25/0964) to transform it even further — including a rear kitchen extension and a stunning loft conversion into a principal suite with en-suite shower room. This makes it an ideal choice for buyers seeking both a comfortable home now and exciting potential for the future.

Step inside and you'll find a bright and spacious living room at the front, while to the rear, the owners have cleverly opened up the wall between the kitchen and dining room to create a flowing, open-plan space that's perfect for entertaining. Sliding doors lead to the conservatory, which currently adds more versatile living space but could be replaced with the planned extension. The modern shaker-style kitchen has been tastefully updated and offers space for a wide range of freestanding appliances. A convenient cloakroom and understairs storage complete the ground floor.

Upstairs, you'll find two generous double bedrooms, a third single bedroom or home office, and a contemporary family bathroom with a three-piece suite. With planning approved for a loft conversion, the home could soon feature a fourth, luxurious principal bedroom with en-suite, adding long-term value and flexibility.

Moving outside...

Outside, the east-facing rear garden is low-maintenance and perfect for morning coffee or summer barbecues, with mature trees providing privacy and an attractive backdrop. A gravelled entertaining area adds charm, while rear access leads to a private garage with additional parking for two vehicles.
