The Home...

Welcome to this beautifully presented, four bedroom, detached family home on the edge of Hurst Meadows. These superb homes were built by Bovis Homes in 2018 and are incredibly desirable due to their convenient location close to the village's quintessential High Street , the reputable St. Lawrence Primary school and Hurst College and beautiful open countryside.

Upon entry you're welcomed by a spacious central hallway which leads to each of the ground floor rooms. The generously sized sitting room is dual aspect with a large bay and the southerly aspect floods the room with natural light. Double doors open to seamlessly connect this room with the fabulous kitchen/diner, which spans an impressive 25ft across the entire rear of the house creating an exceptional space for entertaining friends & family.

The kitchen itself is sleek and stylish with a range of integrated appliances including fridge/freezer, oven, hob and dishwasher.

A separate utility-come-cloakroom hides away the nosier appliances.

For those who work from home, there is a study with pleasant wooded outlook.

The first floor boasts an impressive master bedroom with built in wardrobes and ensuite shower room. Each of the remaining three bedrooms are a double and they are served by the modern family bathroom.

Being a recently built home there are high levels of insulation and eco-efficiency. There is high performance double glazing, gas fired central heating and you have access to an ultrafast fibre broadband connection.

Stepping Outside

For a "new" home the garden is a brilliant size with a large expanse of level lawn making it perfect for children to play. A cleverly created decked terrace enjoys the last of the afternoon/evening sunshine and is perfect for 'al-fresco' dining.

The detached garage provides excellent storage and is fully powered. There are of course conversion opportunities too. To the front is driveway parking for two cars.
