The home is offered in excellent order and the ground floor accommodation has been extended to provide a kitchen that is twice the size of the original layout. The heart of the home is, without doubt, the 22ft sitting/dining room, which flows freely into the conservatory, which provides handy extra living space, with a pleasing outlook over the garden,

The kitchen is modern, with timeless, shaker-style cabinetry and space for all appliances. A door opens to the conservatory, creating a fabulous flow to the ground floor accommodation.

There is also a very handy understairs storage cupboard too.

On the first floor there are two bedrooms and a modern shower room (originally a bathroom, so space to reinstate a bath, if preferred). The main bedroom extends across the front of the house and has fitted wardrobes too.

The home is fully double glazed, has gas fired central heating and access to an Ultrafast fibre broadband connection - perfect for those who work from home.

Stepping Outside

To the rear is a low-maintenance and sunny west facing rear garden that offers a pleasant space to sit out and enjoy the warmer months. Immediately outside the house is a paved patio that is ideal for outdoor dining or a seating area with steps leading up to a small lawn bordered by established planting. The garden is fully enclosed by timber fencing, providing a good degree of privacy, and there are several planted beds and trellis sections which could easily be enhanced with further climbing plants.

Adjacent to the garden is a single garage with power & lighting.
