The Home...

Arranged across three floors, the accommodation is both practical and surprisingly spacious. The ground floor centres around a modern shaker-style kitchen, fitted with an extensive range of cabinetry, quality worktops and integrated appliances, creating a space that is as functional as it is attractive. Beyond, the generous reception/dining room stretches across the rear of the house, providing a superb entertaining space with ample room for both relaxing and dining. A standout feature is the impressive wall of bi-folding doors which flood the room with natural light and open the living space directly onto the south-facing garden, creating a seamless indoor-outdoor flow that is perfect for summer gatherings and everyday living. A cloakroom completes the ground floor.

The upper floors provide excellent bedroom accommodation, ideal for couples who require guest space, a home office, or room to grow. On the first floor are two generous double bedrooms, both served by a stylish family bathroom, while the entire second floor is dedicated to a superb principal suite.
