Welcome Home...

If you're looking a spacious, modern, high spec home that is totally "turn key" then this fabulous semi-detached town house on Virginia Drive could be the one for you. Built in 2019 as part of the popular Wychwood Park development, built by Barratts Homes the home offers excellent accommodation spread over three floors with attractive, "New England" style kerb appeal.

To the front is a sleek, stylish kitchen that is fully equipped with a range of integrated appliances including fridge/freezer, dishwasher, oven, hob and washing machine. Wood-effect Amtico flooring flows through to the open plan sitting/dining room, which is without doubt the heart of the home. French doors open out to the garden to create that delightful 'inside-outside' living during the summer months.

There is also a useful ground floor cloakroom.

On the first floor there are two generous double bedrooms, both with fitted wardrobes. Each is served by the modern family bathroom with tasteful tiling and flooring.

The second floor is where the real wow-factor lies, a fabulous principal suite that offers privacy & seclusion from the rest of the house. This exceptional space extends to 28ft and runs the entire depth of the home with generous sleeping area, dressing area and your own stylish ensuite.

Such is the size that there may be scope to split into two smaller bedrooms, if preferred.

Being a recent built, the home offers a high degree of energy efficiency (EPC 85/95), high performance double glazing, access to an Ultrafast fibre broadband connection, gas fired central heating and the remainder of the 10 year new homes warranty - giving you total peace of mind.

Step Outside

To the rear is a sunny west facing garden that has been landscaped to create a decked terrace that is the perfect spot for 'al-fresco' dining. There is an expanse of lawn and gated rear access that leads out to the garage and allocated parking space.
