The Apartment . . .

Town centre apartments really don’t come much better than this well-appointed home at the prestigious and multi-award-winning Beacon Heights, right in the heart of Haywards Heath. Built in 2017, this impressive apartment combines contemporary living with a superbly convenient location, complemented by a private balcony.

The heart of the home is the generous 22'8" x 17'9" open-plan kitchen/living/dining area, providing an excellent space for both relaxing and entertaining. The kitchen is neatly positioned to one side, creating a natural division between cooking and living areas, while doors open directly onto the balcony, providing a lovely connection between inside and out.

There are two well-proportioned bedrooms, with the principal bedroom measuring 11'2" x 10'6" and benefiting from its own ensuite shower room. Bedroom two measures 12'10" x 8'6", offering excellent flexibility as a guest bedroom, home office or additional living space. A separate bathroom serves the rest of the apartment.

The entrance hallway provides access to the principal rooms, together with useful built-in storage and a separate utility cupboard, helping to keep everyday living neatly organised. The apartment further benefits from double glazing and the convenience of lift access within the building.

Although the apartment does not have an allocated parking space, permit parking is available at nearby car parks. Beacon Heights enjoys a particularly convenient town centre position, with Haywards Heath’s shops, cafés, restaurants and mainline railway station all within easy reach.

In our opinion, this apartment would make an excellent choice for a downsizer seeking a modern, low-maintenance home close to the town’s amenities, a first-time buyer or someone looking for a secure UK base with excellent transport connections.
