SOUTH TERRACE & THE LOCAL AREA

South Terrace occupies an attractive and historic position close to South Park and the River Skerne, whilst remaining within easy reach of Darlington town centre. South Park is Darlington's historic Grade II registered park and is one of the town's greatest amenities, offering extensive green space, mature gardens, a lake, bandstand, café, play areas, skate park, bowling green and walking routes.

The area also has a fascinating connection with Darlington's history and the influential Pease family, whose contribution to the town's development and the Stockton & Darlington Railway is well documented. The historic character of South Terrace, its relationship with the river and South Park, and the nearby Pease Cottages and former Pease Almshouses give the area a distinctive sense of heritage rarely found so close to the town centre. Recent conservation work has also highlighted the architectural and historic importance of South Terrace and its surrounding setting.

For those looking for a home with space, character, history and scope to improve, 24 South Terrace represents a particularly interesting opportunity. With six bedrooms, three floors, generous reception rooms, original features, a garage and NO ONWARD CHAIN, an early internal inspection is strongly recommended.
