## 25 Yoredale Avenue, Darlington, DL3 9AN

From entering this property you can see why it has been a much loved home for a number of years. The current vendors had certainly chosen well and saw no reason to leave. The position within Yoredale Avenue is ideal for access to the well regarded schools of the area, handy for Cockerton village and for Darlington's town centre and for good transport links for the A1M, A66 and A68.

The property itself has been well maintained and whilst it would benefit from updating and modernising it is immaculately presented and allows the new purchaser to put their own stamp on a home.

The reception hallway is welcoming and a feeling of space is immediately evident. There are two reception rooms and kitchen to the ground floor. To the first floor there are three bedrooms, two very generous double bedrooms and a further good size single bedroom. The WC is separate and the bathroom has a bath and a separate shower cubicle.

The property sits in mature gardens to the front and rear. Both of which are very well maintained and planned to provide an abundance of flowers, plants and shrubs to provide colour and interest throughout the seasons. The driveway can accommodate up to three cars and this is in addition to a detached brick built garage.

Warmed by gas central heating with the boiler being serviced (February 2025) and fully double glazed. Viewing is highly encouraged to appreciate this lovely property.
