9 Meldon Close, Darlington, DL1 2BB

Nestled away in a quiet cu-de-sac position with a large frontage we have pleasure in offering for sale a THREE BEDROOMED link-detached property. The property has been a much loved home for a number of years and has been lovingly maintained but would benefit from a refurbishment programme and is offered for sale with no onward chain.

The accommodation is light and airy with a welcoming reception hallway and open plan lounge diner. The kitchen has an ample range of wood effect cabinets and leads through to a useful utility room which houses the central heating boiler and has a personnel door to the garage.

To the first floor there are three bedrooms, two double bedrooms both with fitted wardrobes and a good sized single bedroom. These are serviced by a family bathroom/WC with a panelled bath and electric over the bath shower. Externally the property occupies a lovely plot with a large frontage with the garden bed well established with mature plants and shrubs. The driveway allows for off street parking and sits just in front of a single garage (which measures 5.22m x 2.42m) and has an up and over door, light, power and plumbing for an automatic washing machine. There is a personnel door from the garage to the utility room which provides convenient access to the home.

The location is ideally placed for walking distance to local schools, shops and surrounding amenities and also has riverside walks on hand. There are regular bus services and excellent transport links. The property is warmed by gas central heating and is fully double glazed. An ideal opportunity to secure an attractively priced property with the potential to enhance and improve further.
