From arriving at the property you cannot help but be captivated by its presence as it sits proudly behind a frontage of mature plants and shrubs. The painted wooden front door provides character and sets the tone for the internal inspection of this traditional three bed roomed detached residence.

The property has been a much loved home for a number of years and has been lovingly maintained throughout that time. It is immaculately presented and is ready to move into order whilst offering the new buyer the potential to improve as and when they wish.

The accommodation is spacious with two good sized reception rooms and a refitted kitchen. To the first floor all of the bedrooms are well proportioned with two double bedrooms and a single room. The family bathroom has an over the bath electric shower.

Externally the property sits in well established gardens to the front and rear. The front garden is enclosed by a brick built wall and has a paved driveway which sits just in front of the garage (which has a roller door and measures 5.14 x 2.21). A personnel door from the garage leads through to the rear courtyard which is a very pretty space. Paved for ease of maintenance and having raised borders with an abundance of flowers, plants and a striking Acer tree.

The location is ideal for walking to town and Cockerton village which has a parade of shops there. A regular bus service is on hand and excellent transport links. Local schools are within walking distance too. The property is warmed by gas central heating and is double glazed and available with no onward chain.
