EXTERIOR:

FRONT GARDEN:

The property is approached via a private lane which leads around the property toward the private driveway and garage, there is a concrete pathway to the front door and block paved pathway giving access to the door to the utility / annex. The property is bordered by mature hedging and shrubs and there are various raised flower beds also containing mature shrubs and flowers.

REAR GARDEN:

The 50' x 40' rear garden first begins with a large raised deck with superb views over the surrounding countryside and is perfect for appreciating the summer sun or entertaining guests, the decking also gives access either to the utility room and the ground floor bedroom. The raised deck then has stairs that lead to the main body of the fenced, rear garden, this is mainly laid to lawn with mature trees, shrubs and flowers to its borders as well as a garden shed with further decked area. The garden then has further steps that lead down to a large block paved patio with further seating and access to the garage and front of the property.

GARAGE AND PARKING:

There is gated access to the private, concrete driveway which provides off road parking for at least two cars. There is also a block paved pathway that leads to the rear gardens lower patio.

The detached oversized single garage provides further parking and has electric roller doors to both the front and rear as well as an electric hoist for a dinghy or small boat.

AGENTS NOTES:

The property has an electric central heating system
