Location:

Vicarage Gardens is one of Leighton Buzzard's most desirable locations, offering a peaceful cul-de-sac setting while still being within easy reach of everyday conveniences. The property is ideally situated for families, with a choice of well-regarded local schools nearby and a range of shops and amenities within walking distance. For commuters, Leighton Buzzard mainline train station is close at hand, providing direct services to London Euston in around 30 minutes, making the home an excellent base for those needing swift access to the capital. The town centre, with its variety of cafés, restaurants and leisure facilities, is only a short walk away, while surrounding countryside and parkland provide endless opportunities for outdoor activities.

Ground Floor:

A welcoming entrance hall greets you on arrival, with stairs to the first floor and a cloakroom/WC tucked to the side. To the right, the bay fronted lounge is a comfortable space for relaxing with family, featuring a former inglenook fireplace that provides a lovely focal point. The generous proportions allow for a variety of furniture layouts, creating a flexible living space. The lounge flows naturally into the dining room, where patio doors open to the rear garden — perfect for summer entertaining and al fresco dining. A door leads into the refitted kitchen, which has been thoughtfully designed with a stylish range of shaker-style wall and base units, complemented by a breakfast bar that makes an ideal spot for morning coffee or casual meals. A selection of integrated appliances keeps the kitchen sleek and functional, while there is space for a washing machine to meet modern family needs.

First Floor:

Upstairs, the landing leads to four generous bedrooms, all finished to a high standard. The master bedroom sits to the front aspect and includes a modern ensuite shower room, providing a private retreat for parents. Three further bedrooms are well proportioned, offering flexibility for children, guests, or even a dedicated home office, with all in good decorative order. The family bathroom has been fitted with a contemporary three-piece suite including a p-shaped bath with shower over, vanity wash hand basin and low level WC, creating a fresh and stylish space for the household.

Outside:

To the front of the property, a smart block paved driveway provides parking for two vehicles and extends to the garage, which is fitted with power and lighting. The garage provides excellent storage or potential workshop space. A side passage leads to the private rear garden, which has been designed for both relaxation and practicality. A paved patio area runs across the rear of the house, creating a superb space for outdoor dining and summer barbecues. Beyond, a neat lawn is bordered by shingled beds and mature shrubs, adding colour and interest throughout the seasons. A timber shed sits to one corner, providing useful garden storage.
