Wentworth Drive

Leighton Buzzard, LU7 3HY

We are pleased to present with no upper chain this spacious and well-positioned three-bedroom semi-detached family home, located on the desirable and established Wentworth Drive in Leighton Buzzard. The property is in need of modernisation and redecoration, providing spacious accommodation comprising: Entrance hall, lounge, kitchen/diner, three double bedrooms, family bathroom plus a separate WC. Additional benefits include gas heating, front and rear gardens, garage & driveway parking. Viewing is highly recommended.

Location:

Wentworth Drive is a well-established residential road in Leighton Buzzard, known for its quiet surroundings, wider plots, and family-friendly feel. It is ideally positioned within easy reach of local schools, parks, and amenities. Leighton Buzzard town centre and mainline rail station - offering fast and frequent services to London Euston - are just a short drive away, with excellent road links via the A5, A505, and M1 nearby.

Ground Floor:

Upon entry, you are welcomed by a central entrance hall, providing access to all principal ground floor rooms and featuring a built-in understairs storage cupboard, ideal for coats and household items. To the front of the home, the 19ft dual-aspect lounge stretches the full width of the house, benefitting from a large feature window that floods the space with natural light. This expansive and flexible reception room provides ample space for both relaxing and entertaining. To the rear, the kitchen/diner mirrors the lounge in length, creating a bright and sociable hub of the home. This impressive room provides a wealth of layout possibilities and enjoys a courtesy door leading directly to the rear garden, perfect for indoor-outdoor living in the warmer months. Again, larger-than-average windows ensure excellent natural light throughout the day.

First Floor:

The spacious first floor landing provides access to three well-proportioned double bedrooms, each offering ample space for freestanding furniture or future fitted wardrobes. Also on this level is a family bathroom with adjacent separate WC, providing flexibility for family living, along with a generous built-in storage cupboard on the landing — a practical addition not often found in modern builds.

Outside:

The property sits well on its plot, with a front garden laid mainly to lawn, offering scope for additional landscaping or further parking (subject to permissions). A driveway provides convenient off-street parking and leads to a single garage, which offers further storage or workshop potential. The rear garden is low maintenance and fully paved, creating a private and secure space ideal for outdoor dining, relaxing, or potential landscaping transformation.
