Marsworth Tring, HP23 4NH

We are delighted to offer for sale with no upper chain this extended and beautifully refurbished two bedroom semi-detached home, situated within the desirable village of Marsworth. The property has been thoughtfully improved by the current owners to a high standard throughout and now offers stylish and well balanced accommodation ideally suited to modern living, with a stunning open plan kitchen/dining space forming the heart of the home. Additional benefits include refitted bath and ensuite shower rooms, a landscaped private rear garden and driveway parking. Viewing is highly recommended to fully appreciate the finish, layout and lifestyle this property has to offer.

Location:

Marsworth is a highly regarded Buckinghamshire village surrounded by attractive countryside and canal-side walks, offering an excellent balance between rural living and commuter convenience. The village itself enjoys a welcoming community atmosphere along with nearby public houses, walking routes and access to the Grand Union Canal and Tring Reservoirs. Tring and Leighton Buzzard are both within easy reach, with mainline rail services into London Euston available from nearby stations, while road connections via the A41 and M1 are also readily accessible.

Ground Floor:

The property is entered via a front door opening into the hallway, which has been thoughtfully opened into the extended kitchen/dining room to create an immediate sense of space and flow. Wood effect flooring runs throughout the ground floor, enhancing the continuity and finish of the accommodation. The lounge is positioned to the front and provides a comfortable reception room centred around a wood burning stove with fitted cabinetry positioned to either side, creating an attractive focal point alongside useful storage. A utility/WC sits off the hallway and provides space for both a washing machine and tumble dryer, in addition to a low level WC and wash hand basin. To the rear, the impressive kitchen/dining room forms the standout feature of the home, occupying the full width of the extension and benefitting from a vaulted ceiling which enhances the sense of light and openness. Bifold doors span the rear elevation and connect seamlessly to the garden, creating an ideal setting for entertaining and modern family living. The kitchen itself has been refitted with a stylish range of wall and base level units complemented by high quality work surfaces, while a central island incorporates a breakfast bar providing further seating and practicality. Integrated appliances include a dishwasher, oven, grill and five ring gas hob with extractor over, while ample space remains for a family sized dining table.

First Floor:

The first floor landing provides access to both bedrooms and the family bathroom, along with loft access. The master bedroom is positioned to the front and offers generous proportions with ample space for a range of bedroom furniture, alongside a beautifully refitted ensuite shower room comprising a low level WC, vanity wash hand basin and shower cubicle, finished with complementary tiling to both floor and walls. The second bedroom overlooks the rear garden and offers a pleasant outlook. The family bathroom has been refitted to match the quality and finish of the ensuite, incorporating a low level WC, vanity wash hand basin and panel bath with shower over, again finished with tiling to the floor and walls.

Outside:

To the front, the property benefits from a generous shingled frontage. The rear garden has been thoughtfully landscaped to create a highly usable and private outdoor space, featuring a generous paved patio ideal for outdoor dining and entertaining, with the remainder laid neatly to lawn and enclosed by mature boundaries which enhance the sense of privacy. A gate provides access through to the driveway parking.
