Location:

Stanbridge Road remains an exceptionally popular location for first time buyers and families looking for popular schooling, good transport links, local parks and shops, whilst remaining close to the historic market town centre. The property is well situated for access to road transport links, with the nearby by-pass providing easy access to Aylesbury and Milton Keynes, and further afield via the M1 junction 11A. Additionally, the mainline train station provides regular trains to London Euston in as little as 30 minutes. The town also enjoys a close proximity to a number of outstanding country parks and walks, including the Grand Union Canal, Linslade Wood, Tiddenfoot Waterside Park and the picturesque 400 acre Rushmere Country Park.

Ground Floor:

The front door opens into the entrance hall which features stairs leading to the first floor and a door to the lounge. A stylish wood effect vinyl flooring flows throughout the ground floor, providing a premium and consistent look and feel. The lounge sits to the front of the property and retains a wealth of character, centred around a wood burning stove which provides both warmth and a cosy focal point. From here, there is access to a cloakroom/WC and a practical boot room with additional storage, side access and space for everyday family life. The real heart of the home lies to the rear, where a beautifully extended kitchen/breakfast/family room spans over 23 feet. Flooded with natural light from roof lanterns and expansive bi-fold doors, this space seamlessly connects indoor and outdoor living. The kitchen is fitted with a stylish range of base units topped with quartz work surfaces, complemented by a butler sink within a large central island. Integrated appliances and underfloor heating enhance the sense of modern luxury, while ample space allows for dining and relaxing with views across the garden. The room also benefits from underfloor heating.

First Floor:

The first floor offers two well-proportioned bedrooms, both enjoying plenty of natural light and flexibility for family use, guests or home working. The family bathroom is fitted with a modern suite including a panelled bath with shower over, wash hand basin and WC, finished with contemporary tiling to water sensitive areas. Stairs rise from the landing to the second floor.

Second Floor:

The loft conversion provides further excellent accommodation, creating a generous master bedroom with a Juliet balcony, built-in eaves storage and a stylish en-suite shower room. Also on this floor is an additional bedroom, ideal as a child's room, home office or dressing room to the master, benefiting from Velux windows and further eaves storage.

Outside:

To the front, a shingled driveway provides off-road parking for two/three vehicles, bordered by mature planting. The rear garden enjoys a desirable southerly aspect, ensuring plenty of sunlight through the day, and is mainly laid to lawn with a patio seating area, power points, side access and a summer house, all framed by established shrubs and trees to create a private and enjoyable outdoor space.
