We are delighted to offer for sale this well proportioned four bedroom family home, situated on Willow Way in the popular village of Wing, Buckinghamshire. Presented to good order throughout and offered with no upper chain, the property combines practical family accommodation including: lounge, dining room, kitchen, downstairs WC, four bedrooms, family bathroom, generous outside space and two garages, making it an ideal choice for those seeking a settled, long-term family home.

Location:

Wing is a sought-after Buckinghamshire village, well regarded for its blend of rural charm and everyday convenience. The village offers a good range of local amenities along with well-regarded schooling, making it a popular choice for families. For commuters, road links are strong, with easy access to the A418 and onward connections to the A41 and M1, while nearby Leighton Buzzard station provides regular services into London Euston. The surrounding countryside offers pleasant walking and cycling routes, with the Grand Union Canal and open Buckinghamshire farmland within easy reach, adding to the village's appeal for those wanting a quieter pace of life without sacrificing connectivity.

Ground Floor:

The accommodation is entered via a practical entrance porch, providing a natural buffer from the outside and a sensible spot for coats and shoes. This leads through to the main hallway, from which the ground floor rooms are accessed. The lounge offers a well-proportioned space to the front of the property, with parquet flooring and room for comfortable seating arrangements, while the separate dining room provides a dedicated area for family meals and entertaining, offering flexibility for those who enjoy hosting. The kitchen is positioned to complement the flow of the ground floor, with practical space for everyday cooking and family life. A downstairs WC completes the ground floor, adding valuable convenience for a busy household.

First Floor:

Upstairs, the property offers four bedrooms arranged with two to the front, including the master bedroom, and two further bedrooms to the rear. This layout offers a sensible degree of separation and privacy, well suited to family living. The family bathroom is fitted with a bath, serving the upper floor accommodation.

Outside:

To the front, the property benefits from a generous driveway providing ample parking, alongside a large front garden laid mainly to lawn, contributing to a strong sense of kerb appeal on arrival. To the rear, a private garden has been thoughtfully arranged, laid mostly to lawn with a patio area ideal for outdoor dining and enjoying the sun. The balance of lawn and patio offers flexibility for both entertaining and everyday family use, while the garden's privacy adds further appeal.

Garages:

The property benefits from a garage, together with a separate garage/workshop, offering excellent additional storage or practical workshop space, and providing flexibility for buyers with hobbies, project space needs, or simply further storage requirements.
