Location:

Southcourt Road is one of the most desirable addresses in Linslade, offering a tranquil residential setting while still providing convenient access to the town centre, schools and transport links. Leighton Buzzard mainline train station is within a couple of minutes walk, providing direct trains to London Euston in around 30 minutes. The property is well situated for access to road transport links, with the nearby by-pass providing easy access to Aylesbury and Milton Keynes, and further afield via the M1 junction 11A, making this an ideal choice for commuters. Local parks, countryside walks and the nearby Grand Union Canal enhance the appeal for those seeking a blend of convenience and outdoor lifestyle. A wide choice of shops, restaurants, and leisure facilities are also close at hand.

Ground Floor:

A striking stained glass front door welcomes you into the entrance hall, where the character of the home is immediately evident, with high ceilings among the charming features. The hall provides access to the sitting room, family room, cloakroom/WC and two built-in storage cupboards, with stairs leading to the first floor. The sitting room is positioned to the front, with a beautiful stained glass bay window, high ceilings and an open fireplace creating a warm and elegant space. At the heart of the home, the family room offers a cosy retreat with a wood burning stove and French doors leading to a rear patio, seamlessly blending indoor and outdoor living. The kitchen/breakfast room is a showpiece, boasting a vaulted ceiling with exposed beams, three Velux windows flooding the space with natural light, and a range of wall, base and island units topped with high-quality conglomerate stone work surfaces. The room provides ample space for casual family meals, with direct access to the rear garden and a utility room with further space for appliances. To the rear, the dining room features solid oak flooring and stained glass windows, and flows naturally into the garden room. This light-filled space enjoys panoramic garden views and French doors opening onto the landscaped garden, creating the perfect setting for entertaining or relaxing.

First Floor:

A central landing leads to four well-proportioned bedrooms. The master bedroom includes fitted wardrobes and a stained glass bay window to the front, while the second double bedroom also faces the front aspect and includes built-in storage. To the rear, a further double bedroom overlooks the garden, alongside a single bedroom ideal for use as a study or nursery. The first floor is served by two bathrooms: a shower room with a three piece suite comprising low level WC, vanity wash hand basin and shower cubicle, and a generous family bathroom with four piece suite including panel bath, shower cubicle, pedestal wash hand basin and low level WC.
