The Property

Owned and lovingly maintained by the same family for the past 11 years, this beautifully presented detached home was thoughtfully extended in 2024 to create exceptionally spacious and versatile accommodation.

Offering five bedrooms, three bath or shower rooms and three reception areas, the flexible layout is ideal for modern family life and would also suit those seeking multigenerational living. Immaculately presented throughout, the property offers a wonderful turn-key opportunity, allowing its new owners to simply move in and enjoy.

To the front of the property, a block-paved driveway provides private parking for three vehicles and gives access to the single integral garage. The welcoming entrance hall provides an inviting introduction to the home, with a ground-floor cloakroom positioned to the right and useful understairs storage.

At the front of the property is an elegant sitting room, beautifully styled and centred around an attractive decorative fireplace. A well-proportioned window allows plenty of natural light into the room, creating a comfortable and quiet place in which to relax.

Spanning the full width of the rear of the property is a fabulous fitted dining kitchen and adjoining family room, creating a wonderfully sociable and light-filled heart to the home. The stylish two-tone kitchen combines light wood-effect and white floor and wall cabinets, complemented by crisp white work surfaces. Integrated appliances include a fridge freezer, gas hob with extractor above, single oven, combination microwave and dishwasher. There is ample room for a dining table and six chairs, while a useful laundry and utility cupboard provides discreet additional storage. Patio doors lead from the kitchen directly into the rear garden, while wide bi-folding doors open from the family room onto the terrace.

Together, these spaces create a wonderful sense of seamless indoor-outdoor living, allowing an abundance of natural light to flow throughout the rear of the home. The fitted dining kitchen opens naturally into the adjoining family room, enabling each area to remain distinct while connecting beautifully for everyday family life and entertaining. A contemporary wall-mounted electric fire creates an attractive focal point, while an internal door provides direct access to the single integral garage. Karndean flooring runs throughout the ground-floor accommodation, with the exception of the entrance hall.

From the hallway, the staircase rises to a spacious first-floor landing, where doors lead to all five bedrooms and the family bathroom. The landing also provides access to an airing cupboard, a handy additional storage cupboard and the loft via a ceiling hatch.

The master bedroom is an attractive and generously proportioned double room, enjoying a wealth of natural light from a window to the front. Fitted wardrobes provide excellent storage, while a spacious en-suite includes a large double shower enclosure.

The double guest bedroom looks out to the front and benefits from its own private en-suite shower room, fitted with a double shower enclosure and a window providing natural light. There are two further double bedrooms overlooking the rear garden, together with a comfortable single bedroom that would also be ideal as a nursery or home office.

The family bathroom completes the first floor accommodation and is fitted with a modern white suite comprising a bath with shower over, low-level WC and vanity wash hand basin.

A wealth of storage has been thoughtfully incorporated throughout the property, supporting practical everyday family living.

Immaculately presented both inside and out, this beautifully extended home offers an exceptional combination of space, style and adaptability. Its light-filled accommodation, versatile layout and wonderfully landscaped garden create a welcoming setting for everyday family life, multi-generational living and entertaining. **PROCEEDABLE VIEWERS ONLY.**

Outside

The rear garden has been thoughtfully landscaped and maintained to the same immaculate standard as the house. Accessed directly from the fitted dining kitchen through French doors and from the adjoining family room through wide bi-folding doors, it creates a wonderful continuation of the home's indoor-outdoor living space.

An extensive Indian sandstone terrace lies immediately beside the house, providing ample room for outdoor seating, family barbecues and summer dining. Beyond the terrace, the garden features premium-quality artificial lawn, carefully chosen for its exceptionally realistic appearance while providing an attractive and practical low-maintenance finish throughout the year.

Raised planters filled with established shrubs, mature trees and colourful planting soften the garden beautifully, creating privacy and a lovely sense of enclosure. The thoughtfully arranged seating areas allow different parts of the garden to be enjoyed throughout the day.

A further paved terrace provides another inviting area for seating and is also ideally positioned for a hot tub.
