## Description

A spacious and rarely available three double bedroom first-floor apartment, ideally positioned within walking distance of Stroud town centre, with its excellent range of independent shops, cafés, restaurants, everyday amenities and mainline railway station.

The apartment is accessed via a secure communal entrance with coded entry system, where stairs rise to the first-floor landing. Upon entering, a generous reception hall immediately creates a lovely sense of space, setting the tone for the accommodation that follows. Light flows naturally throughout the apartment, with well-proportioned rooms offering a level of flexibility and practicality rarely found within similar town-centre apartments.

The sitting/dining room is undoubtedly one of the property's standout features. A particularly generous room, it provides ample space for both comfortable seating and formal dining, creating an ideal setting for everyday living and entertaining alike. French doors open onto a Juliet balcony, drawing in natural light and enjoying a pleasant outlook over the communal parking area, with distant views beyond. The room feels bright, airy and welcoming throughout the day.

Double doors lead through to the fitted kitchen, creating a sociable connection between the two spaces. The kitchen is arranged with a range of base and wall-mounted units, complemented by contrasting work surfaces, and incorporates a selection of integrated appliances including an electric oven, hob with extractor hood over, fridge freezer, and washer/drier. A large window provides further natural light and a pleasant outlook.

The apartment benefits from three genuine double bedrooms, a feature rarely found within comparable apartments and one which greatly enhances its appeal. The master bedroom is a generous double room complete with fitted wardrobes, providing excellent storage. It also benefits from an en-suite shower room fitted with a shower enclosure, wash hand basin and low flush WC. Bedroom two is another particularly impressive double room, offering ample space for a double bed and a range of free-standing furniture. Bedroom three is also a comfortable double bedroom and would work equally well as a guest room, home office or hobbies room, depending upon individual requirements. Both bedrooms two and three enjoy an outlook to the front towards Lansdown. Positioned off the hallway is the bathroom, fitted with a three-piece suite comprising a panelled bath with shower over, wash hand basin, low flush WC and extractor fan.

Throughout the apartment there is a wonderful feeling of light and space, with generously proportioned accommodation creating a home that feels considerably larger than many apartments locally. The combination of three double bedrooms, two bathrooms, allocated parking and the convenience of being able to walk into Stroud town centre gives the property a broad appeal, particularly to downsizers, first-time buyers, investors and those seeking a low-maintenance home close to amenities.

Outside, the property benefits from an allocated parking space situated to the front of the building, together with secure coded access into the communal entrance for additional peace of mind.

Offered to the market with no onward chain, this lovely apartment enjoys the perfect balance of town-centre convenience, nearby countryside walks and easy access to Stroud railway station, making it a wonderfully practical yet spacious home in a highly convenient setting.
