## *The Property*

Treetops is a detached home set on the edge of the village of Whiteshill, with electric gates opening onto a private driveway and generous parking. Long views stretch across the valley and the grounds wrap around the house. The setting suits buyers looking for space outside and clear scope for future growth.

The entrance porch opens into a bright hallway with stairs rising to the first floor and a cloakroom off. The sitting room sits to the rear of the house and offers strong natural light through a wide window and French doors. Views look across the grounds and out toward the valley. A modern raised log burner inset forms a focal point.

The fitted dining kitchen looks out over the garden through a large window. The layout works well for everyday use, with wooden base and wall mounted units, worktops and tiled splashbacks. Integral appliances include a double oven, hob, extractor and dishwasher. There is space for a four-seater dining table and chairs. A walk-in pantry offers adding practical storage. A door leads out under an overhang to the garden and to additional accommodation.

From the entrance hall, stairs turn and rise to the first floor landing, with loft hatch and two large storage cupboards, a bright space which enjoys natural light that leads to two double bedrooms and a four piece bathroom. Both bedrooms enjoy open outlooks and a strong flow of daylight. The main bedroom includes built-in storage and wide views across the surrounding countryside. The second bedroom also offers generous proportions and garden views. The bathroom is fitted with a four-piece suite, including bath, separate shower, basin, and WC, with a window to the front.

Further accommodation from the side entrance in the kitchen leads out to the garden with overhang providing access to a well-planned utility room with space for appliances, a stainless steel sink, and additional storage and access to the loft above. A further door leads into a home office/guest bedroom. This room has windows to the front and side and benefits from its own private cloakroom with WC and basin. The space suits guests, home working, or multi-generational living.

The current layout provides two bedrooms on the first floor and a home office/guest bedroom on the ground floor and one reception room, alternatively provides two bedrooms to the first floor and two receptions to the ground floor. Very versatile space depending on your needs.

Planning approval is in place for buyers wishing to extend. The consent allows a two-storey side extension and a single-storey rear extension, creating four bedrooms and three bathrooms over two floors. The reception space is re arranged and extended to create a separate reception room, a wonderful open plan family room/dining kitchen and a utility room.

## Outside

The gated driveway provides parking for two to three vehicles.

The grounds are a standout feature and wrap around the house. The layout includes a sun terrace, sweeping lawn, mature planting, a greenhouse, and productive vegetable beds.

The space works well across the seasons and supports outdoor living throughout the season.

A terrace sits close to the house and gives space for outdoor dining. Stone edging and gravel borders frame this area and create a calm place for meals or time outside.

A generous lawn sits beyond the terrace, surrounded by mature shrubs, established trees, and planting that brings colour through the year.

A productive vegetable area sits to one side with greenhouses, a shed, and raised beds. Gravel paths link the different parts of the garden and give an easy route around the space. The layout feels practical and welcoming, with room for play, gardening, and outdoor living.

The garden borders open fields and rolling countryside. The mix of lawn, planting, seating areas, and growing space creates a strong outdoor setting that suits every season, whether for family life, quiet relaxation, or enjoying the open views toward the hill
