About The Property

Situated in a quiet close in the heart of this popular village with it's great community feel, local shop, school, public house and sports ground is this modern end terrace house with a large corner garden, garage and parking. There is huge potential for further additions to either side or rear. The windows are double glazed and there is a lovely view to the front. There is no onward chain.

The property is situated in a slightly elevated position with a grass bank to the front. Steps lead to a pathway to the front porch which opens into the hall. This has a built in coats cupboard and stairs to the first floor with storage beneath. There is a cloakroom with a white suite. The double aspect living room has a dining area to front and sitting area to rear with sliding doors to the garden. The kitchen has a good range of worksurfaces and fitted units with built in oven, hob and extractor, integrated dishwasher, space and plumbing for washing machine, one and a half bowl sink unit and tiled floor. This is open to the conservatory which is currently used as an extension to the kitchen but would also make a great sun room. From here there is a door to the garden.

On the first floor are two double bedrooms, a single bedroom and a bathroom.

The rear garden has a sitting area and is laid to lawn with numerous mature shrubs and some trees. The garden stretches round to the side where there is a rear pedestrian access path and another pathway leading to the single parking space.
