

19 Waverley Close, Bulford Camp, Salisbury, Wiltshire, SP4 9LD

£245,000 Freehold

About The Property

The property is a three bedroom terraced house with well proportioned accommodation and which is offered to the market with no onward chain. The house is in need of modernisation, but currently benefits from PVCu double glazing, gas central heating and an allocated parking space in a nearby car park.

Waverley Close is centred around a pleasant communal grassed area away from traffic. The house comprises an entrance hallway which leads to a sitting room which has a dual aspect. There is a kitchen/breakfast room with a gas cooker and space for the usual appliances and for a table and chairs. There is a door leading in to the rear garden which enjoys a westerly aspect and has a useful rear access gate and new fencing.

On the first floor are three good size bedrooms with the two main bedrooms having over stair fitted wardrobes. There is also a bathroom and a separate WC, both with white suites. The house requires a programme of improvement which would include replacement of the kitchen and bathrooms together with full redecoration and reflooring, but would make a wonderful family home.

The property is located on the edge of Salisbury Plain with easy access to the A303. The village of Bulford offers a local range of amenities including, petrol station with mini supermarket, schools and public house. The town of Amesbury is about two miles away also with a good range of amenities.
