## About The Property

The property is a deceptively spacious and extended four bedroom detached house situated in an elevated position in a popular residential area on the northern side of the city.

On the first floor, the landing has a walk in linen cupboard and the four double bedrooms all have fitted wardrobes whilst the main bedroom has an en suite shower room. The rear bedrooms have far reaching views and there is also a bathroom which has a white three piece suite.

To the front of the property is a driveway/turning area providing ample off road parking and an area of garden. The detached garage has two up and over doors, an electric car charging point and a side door. The rear garden enjoys a sunny south westerly aspect and has a patio area and a lawn with flower borders. It extends to a further area of garden to the side which is gravelled. There is an electrically operated sun awning and an outside tap and light. Further benefits include PVCu double glazing and gas central heating.

Hilltop Way lies off Castle Road on the edge of the city with easy access to all the amenities the city offers. Opposite is a country park which is ideal for walking and there is also a footpath at the bottom of the cul de sac offering direct and convenient pedestrian access on to Castle Road.
