

21 Fowlers Hill, Salisbury, Wiltshire, SP1 2QT

£285,000 Freehold

About The Property

The property is an unusually spacious two bedroom semi detached house which is offered to the market with no onward chain.

The house has been improved by the current owner and now offers well proportioned accommodation which could easily be altered to provide a further bedroom if required.

The accommodation comprises an entrance hallway with stairs and a door in to the sitting room. This has fitted shelving with inset lighting and there is a fireplace with a woodburner. The ground floor is open plan so there is space for a table and chairs and the sitting room extends in to a kitchen area.

This has an excellent range of units with an integrated electric oven and grill, a hob, extractor, fridge/freezer and a dishwasher. There is a central island with an attractive timber work surface over which provides a breakfast bar and cupboards/drawers under.

There is a rear lobby which leads to the garden and to a cloakroom.

On the first floor there are two double bedrooms. The main bedroom has an open fitted, over stair storage area with shelving and the second bedroom has fitted wardrobes. The bathroom has a white three piece suite with a rainfall shower over the bath and tiled flooring and walls. Further benefits include PVCu DG and gas central heating.

To the front of the property is a brick paved area and the rear garden is paved with some artificial grass. This provides side access to the front and there is also a rear access gate which leads in to Byways Close where there is on street parking.

Fowlers Hill lies in the popular Milford area of the city with easy access to the A36 Southampton Road and the city centre lies approximately a quarter of a mile away.
