£1,350 PCM

About The Property

A fully renovated three-bedroom house situated in a private estate. The property has recently undergone extensive work, including complete redecoration, insulation improvements, new carpets and flooring, an updated kitchen, and a new bathroom. The layout features a large entrance hall with under-stair storage. To the right, you will find the living room, which has a large window overlooking the garden and a functional open fireplace. At the other end of the ground floor is a spacious kitchen equipped with a new free-standing oven and space for a dishwasher, as well as a working log burner in the middle of the room. Adjoining the kitchen is a WC and a newly renovated utility room, which boasts new flooring and space for a washing machine. Additionally, there is a brand new bathroom on the ground floor, complete with an electric shower over the bath and an electric towel rail.

Upstairs, the property includes three bedrooms: two generously sized double rooms and a third that can accommodate a single bed but would also fit a double bed. The master bedroom features a built-in wardrobe, and all rooms offer views over the surrounding farmland. Heating is provided by electric panel heaters, and the property is available for long-term rental.

The property features a newly extended shared driveway and will soon have a new fence installed along the boundary of the garden. The garden includes a combination of patio areas, lawn, and flower beds, as well as two sheds located at one end.
