About The Property

An exceptionally well presented three bedroom house situated in a cul de sac on the edge of this popular village. The property has been enhanced by an attractive two storey brick and flint extension so the house now offers excellent family accommodation with a private, south facing garden to the rear,

The well proportioned accommodation is tastefully presented throughout and has well proportioned rooms which on the ground floor comprise an entrance porch and a sitting room with a window to the front aspect, part timber panelling to some walls and a useful under stair storage area.

A space saving sliding door leads to the open plan kitchen/dining room which enjoys a light, southerly aspect. The kitchen has timber flooring and an attractive range of base and wall units with a sink and mixer tap under a window to the rear overlooking the garden. Integrated appliances include an electric oven and grill, a four ring gas hob and a dishwasher with a space for a fridge/freezer. There is an area for a table and chairs, in addition to a breakfast bar which provides further seating and the garden can be accessed via French doors.

There is also access to the garage area which has a convenient electric roller door and space for a washing machine and tumble dryer with a passageway leading in to the rear garden. This space could alternatively be used as a gym or workspace.

On the first floor, the master bedroom has attractive timber wall panelling and an en-suite shower room, both separated from the landing by a door to provide more private space. There are two further good sized bedrooms served by a family bathroom. All bathroom suites are presented in a very contemporary style. Further benefits include PVCu double glazing and gas central heating and features of note include inset spotlights in most rooms.

To the front of the property is an open plan lawn area with a well stocked flower bed and a gravel driveway provides off road parking for two cars. The rear garden enjoys a southerly aspect and has a patio area with a lawn which has flower borders and leads to a further elevated timber decked area where there is also a timber shed. The garden is enclosed by a new timber fence on all sides. An outside tap can be found within the garage area.

Hamilton Park is a popular cul de sac lying on the edge of this village with easy access to the New Forest.
