Location

Downton is a vibrant and historic village in the Avon Valley, surrounded by chalk downs and water meadows, with the River Avon flowing through its heart. The village blends natural beauty with a strong sense of community and offers a wide range of amenities including a primary and secondary school, GP surgery, library, shops, café and recreation areas.

The high street is lively, and the village hall and leisure centre support an active local calendar. Downton Moot Garden, a public green space with origins in a 12th Century castle, provides a peaceful riverside setting for walks and events year-round. The village also has a rich cultural heritage and was once home to Nobel Prize-winning author William Golding.
