Here at Carters, we are proud to welcome to the market this immaculately presented, three bedroom family home that has been very much loved and cared for by the original owners since it's build in the 1970s.

Being tucked away towards the head of a family friendly cul-de-sac, within the highly sought-after and favourable Haydon Park Estate, just on the outskirts of the town centre, this lovely home is positioned perfectly for those long-awaited Spring walks with the family. Not only are there fantastic walks and parks for the family to enjoy, but also some of the very best local amenities just around the corner, including supermarkets, Halls Road playing fields, Biddulph Valley Way and the GP surgery. If this wasn't enough, the property falls into the catchment area for many of the excellent local schools, such as Kingsfield First, Woodhouse Middle and Biddulph High. The accommodation itself is deceptively spacious, enjoying ample living space to enjoy entertaining friends and family on those special occasions, comprising of a cosy living room, a modern 'cottage' style kitchen as well as a modern WC and a conservatory. Head up the stairs where there is more to enjoy, with a modern family bathroom and three bedrooms, all of which are generous doubles, whilst the main bedroom is larger than most, allowing space for any extra storage needs or for an ensuite to be designed and added, if so desired. Externally, the property is just as impressive, with a detached garage to the side, a paved driveway to allow parking for several vehicles, as well as landscaped gardens to both the front and rear. The front garden adds extra kerb appeal to what is already an attractive property, being very much cared for over the years and is often admired from neighbours. The rear garden is a private space which is just as beautiful, offering a pretty and tranquil space to sit out and relax, either whilst the kids play in the warmer months or after a long day at work with a glass in hand.
