

15 Stanion Lane, , Corby NN18 8ES

Offers Over £440,000

Lucas Estate Agents are pleased to be offering this deceptively large and incredibly unique property to the market. Sitting on a fantastic plot, this family home has been renovated over the last 7 years making it a true turn key property. Walking into the front door you will find an open hallway with doors leading onto the lounge and dining room. The hallway has retained many features including the original flooring and the front door glass, and has a handy under stairs cupboard. The lounge is a lovely bright and airy space with a large bay window and feature gas fireplace with a carpeted floor. The dining room also features a fireplace, with this one being a large log burner. There is a matching bay window and a side window bringing in lots of natural light. The kitchen is the show stopper with a large island in the middle with an attached breakfast bar. The kitchen has been designed by the current owners and includes a double oven, built in microwave as well as an integrated dishwasher. It really does need to be seen to realise the attention to detail that has been added in this room. The kitchen follows on nicely to the utility room which has plumbing for both a washer and a dryer along with a large sink. One of the features of the utility room is the built in storage cupboards with space for hanging coats with a perfect seat for getting your welly boots off! The guest WC and shower room are on from the utility, which consists of a wc, sink and a mains fed shower.
