## Harley Court Harley Place, Bristol, BS8 3JU

Arguably Bristol's finest penthouse, this exceptional apartment offers extraordinary views - over the roof tops of Clifton, the city and countryside beyond in all directions. Catching the sun literally from dawn to dusk, the vistas change with the weather and the seasons to provide an outlook that we feel will prove impossible to tire of. Harley Court was built in 1963 and comprises just fourteen spacious apartments, the Penthouse occupying the entire top (6th) floor. Situated on one of the highest points above sea level in Bristol and in one of the best locations in the heart of Clifton, its position is unmatched. Very fashionable when built, a recent comprehensive refurbishment of the block, which is under excellent management, has maintained its appeal today. Facing onto Christchurch Green it is a short walk across to the fashionable amenities of Clifton Village as well as the world-famous landmark of Isambard Kingdom Brunel's suspension bridge dramatically spanning the Avon Gorge. Whilst very conveniently situated, the Penthouse is extremely peaceful, being set aloft and back from the road.

This exclusive property has only seen the market once before. The current owner has recently undertaken its total renovation to provide a layout which is simple, stylish and versatile. The use of space has been maximised and the abundance of natural light and wonderful views enjoyed by all the rooms utilised to the full.

The living space is South facing and opens generously out onto the roof terrace, which is extensive, well planted and offers an unusual degree of privacy as well as capturing the sun all day. The open-plan kitchen is comprehensive and well equipped, with additional separate pantry and utility rooms. There is a generous study which could be described as inspiring, having dual aspect windows with dramatic views to the East. The master bedroom has a sumptuous en-suite bathroom and shower, all of which enjoy the astonishing Westerly views. Whilst the current arrangement provides three further bedrooms, two of these have been designed to be easily adapted to form a large second reception space if preferred. There is a wealth of both practical and stylish features including extensive built-in furniture, maple wood flooring and underfloor heating throughout.

Additionally, the Penthouse has a four-car private garage located within the building and use of a separate plant room on the roof for heating equipment. The garage is currently sub-divided to provide a large clean storage room with easy access.

In summary, we believe this incredibly special Clifton apartment is unrivalled and presents a refreshingly easy lifestyle for those seeking something that is a cut above the rest. It should also be noted that this sale involves no onward chain. The apartment can therefore be available for immediate occupation.
