The property can be accessed by foot from Royal York Crescent and by car from Royal York Villas – a private road leading to a gated entrance for the mews development. The house further benefits from an enclosed south facing lawned garden with pedestrian gate leading to a lock up garage and private off-street parking for one car.**

### SUMMARY OF ACCOMMODATION

A covered entrance with front door opens into a central entrance hall with stairs leading to the first-floor accommodation. An open plan kitchen / dining room enjoys views over the south-facing rear garden. The recently fitted and well appointed contemporary kitchen opens to the dining room which allows ample room for dining table and chairs and has sliding doors to one end opening into a full glazed conservatory, which in turn opens onto the rear patio & garden. A separate utility room includes a range of base and wall units housing the Gas Fired Boiler and cylinder with plumbing for a washing machine. A separate bathroom services the two bedrooms.

Undoubtedly, one of the main features of the house is the generously proportioned first floor living room which enjoys far reaching southerly views as far as the Dundry Hills. French doors open onto a balcony which in turn overlooks the rear garden. A short flight of stairs leads to a useful galleried studio / study area with balustrade looking down into the living room. The first-floor landing further provides access to a large master bedroom with fitted shelved and hanging wardrobes. The master bedroom enjoys ensuite bathroom facilities.

Externally, the house enjoys a delightful and private south facing garden (circa 53.0 ft in length) which is predominantly laid to level lawn and bordered by mature beech hedges and flower borders therefore providing good privacy and seclusion. There is a single lock-up garage with automated up and over door. The garage includes a work bench as well as power sockets and lighting. A door opens onto the rear garden. To the side of the garage is a gravelled area providing additional parking for one motor car. To the front of the house is an attractive small part-paved and gravelled courtyard entrance with raised planters.
