*"We fell in love with the spacious open plan living area when we first saw our house on New Queen Street. We've made lots of memories here as it's perfect for hosting friends. In the Spring and Summer the patio area is a sun trap, ideal for lazy afternoons reading a book. We have easy access to St George's Park and Redfield, as well as Kingswood high street. We spend lots of time walking at Magpie Bottom nature reserve, less than 10 minutes from our door and it's so peaceful."*
