"This home has been the backdrop to many happy memories over many years, from vibrant parties to the chaos and joy of family life. The house has adapted with us every step of the way. Friends always say the house has such a warm, happy feel. We've cherished its beautiful Victorian features, big sunny windows, stained glass, fireplaces, and kitchen dresser, adding our own touches while keeping its character. Montpelier's amazing community has made our time here all the more special."
