*"I bought this house in 2002, having lived in Bristol since 1999. Totterdown was an "up and coming" area at that time, but it has developed into a really charming and bohemian area of Bristol, which I love. My neighbours are super friendly and everyone is always willing to help each other out, we've had some great gatherings on the street, and I have friends for life here. The house has been perfect for me over the years within easy reach of the city centre for work/pleasure, highly recommend!"*
