"The flat has been our little pocket of heaven over the last two years, we have been spoilt by all it has to offer. In the winter months you can get cosy by the fire and host lovely dinner parties with friends. In the summer months you can enjoy the garden and or pop over to Victoria park in less than 5 minutes! It has so much character and feels more like a house than a flat. Houseplants thrive in every room and I'm sure the next owners will love it as much as we have!"
