"Our favourite space in our house is the large, open kitchen diner where we've joyfully hosted friends and family, sharing meals and birthday parties. We are lucky to have a large garden for the neighbourhood, we've added turf and grown sweet peas and Brussel sprouts! Plus we have friendly neighbours who have stopped for long chats and shared DIY advice. Nearby we've loved toddler gymnastics at Hawks, Eastville Park run and East Bristol bakery on St Marks Road is only a one minute walk!"
