We've loved hosting friends in the cosy dining space, enjoying candle-lit dinners, as well as parties and BBQs in the garden. The garden is a real sun trap, and we've spent many summer evenings out on the decking – hosting BBQs, watching the Euros final. We also love having The Greenbank at the end of the road for an impromptu pint, and often head down to our favourite Nol2 café, home to one of the best bacon butties around.'
