"From the sitting in the oasis of a garden eating ice cream from Tarr's to curling up in our front room with the log burner on, this house has been a sanctuary for 4 years. I've loved the journey from a retro reno project to a light and cosy home. Sandy Park is such a wonderful place to live: it's incredibly peaceful, there is a real sense of community and I love being able to work from home and pop out for a coffee at the Deli or to the Grocer on the high street."
