"This is a great place to live! You're one minute from the Bristol Bath Cycle Path, five minutes from St George Park or Greenbank Cemetery, and less than half an hours walk into town, although the offerings on nearby Church Road and St Mark's Road will keep you fed and watered very well! Westminster Road is very friendly. The house itself is brilliant all year round: a suntrap summer garden, cosy living room with wood burner, large peaceful bedrooms and huge kitchen and dining room for entertaining!"
