*"When I found this flat on St Michaels Hill I couldn't believe my luck. I loved the wonderfully high ceilings and open plan living. For me it was an ideal starter property, all to myself for which I could put my own stamp on. The garden area is a practical space that transforms into a sunny area (especially handy to dry washing in the summer!) A two minute stroll down the hill brings you to Fort Gardens; a secret hidden oasis that gets the last of the sunshine in the summer and is a perfect place to sit and read."*
