"We've truly loved living here. This home has been a special place for both me and my sister over the years. The garden cabin has inspired music and creativity, and the house itself has been a space full of life and laughter. We've hosted friends and family, shared memorable celebrations, and enjoyed countless evenings around the fire pit in the garden. The neighbourhood is friendly and welcoming, and there's a real sense of community. This home has been well cared for and appreciated—by us and all who've spent time here."
