"Calcott Road is a family friendly street that has been a joy to live on. We can walk the kids to the fantastic Hillcrest Primary School, and easily walk to any of the number of local parks. We have fond memories of park trips after school watching the hot air balloons, community events at Redcatch Community Gardens and Sunday walks in Victoria Park. The bus stop at the end of the street gives quick and easy access to the city centre, or you can walk. The street has been a lifeline of support, with an active WhatsApp group of friendly neighbours always willing and ready to help out if needed - it really is a special street, and we will fondly remember it"
