*"We've loved living here and making this house our own. The open-plan living and dining space is so versatile, light and airy, with plenty of room for hosting or snuggling down to an afternoon film. The South-facing garden is a total suntrap, perfect for BBQs or relaxing with a beer on a Summer's evening. There are so many green spaces and local gems like Sweet Mart and East Bristol Bakery on our doorstep and with the cycle path round the corner, the city centre is just a 10 minute ride away."*
