" We've loved living in this peaceful and tranquil house. We'll really miss our walks in the beautiful woods and nature reserve opposite and yet it's only 20 mins cycle into city centre. The private garden gets full sunshine all day and the house overlooks the woods/allotments to the front and has open skies to the rear. The Langton pub is a short walk who have recently opened a cafe which we enjoy visiting on a weekend morning after a St Anne's Park trip with the little one. It is the perfect location for a family.
